Hi Andrew,

EPA is available to meet 11:15am Hawaii time on Thursday, 2/21. We are currently in the midst of updating the latest draft of the HDOA agreement, so I am hesitant on sharing that document at the moment because we still need to send it back to HDOA with some changes. I will keep you posted if anything changes before we chat.

The tentative participants from EPA will include me, Jeryl Covington (technical lead), Dale Rhines (Deputy Director) and possibly Adam Wilson (ECRCO counsel). The conference call information is-

Brittany,

ADC has been in talks with Earthjustice about settling their concurrent lawsuit regarding alleged Clean Water Act violations and I was hoping to settle this matter at the same time. We previously discussed including terms in an informal resolution that would follow ADC's agreement with HDOH. However, those terms may be subject to change as part of any Earthjustice settlement. As a global settlement would take much longer, ADC is open to continuing discussions on an informal resolution. Can you send me the latest version of the DOA resolution for review?

I am available any time next Wednesday or Thursday to discuss.

Thank you,

Andrew

Hi Andrew-

It has been some time since we last communicated, so I am sending this note to inform you that my office is anxious to move along our previous conversations surrounding informally resolving Title VI complaint 45RNO-16-R9. We have been working with HDOA and plan to have an informal resolution agreement with them ready for signature by the end of this month. We would like to resolve the complaint with ADC at the same time. Please let me know if you have any availability to discuss this matter as my Deputy Director, Dale Rhines plans to contact your supervisor to help facilitate this effort by weeks end.

Thank you,

Hi Andrew,

I am sending this note to check the status of when ADC will be able to share the draft agreement language with EPA. Please let me know when you have a chance or if you would like to discuss anything in the interim. Thanks!

Hi Andrew,

As discussed during today's call, I have attached a sample Informal Resolution Agreement in Word format. We look forward to hearing back from you once you have identified ADC's potential commitments and any feedback that you hear during the Board meeting. Let me know if you have any questions or need anything else.

Thanks!
